> Dear Velveta and Jeryl,

> Attached please find a letter submitted by Complainants to raise questions and supplement the record in the investigation of the complaint against the Alabama Department of Environmental Management (ADEM) regarding its decision to modify and re-issue a permit for the Arrowhead Landfill. The exhibits require too much memory to send as attachments to this email and we will, instead, forward them to you on Monday. Please note, also, that we will be further supplementing the record with an additional submission on Tuesday.
